Subject: **Apron Parking**

Honorable Members of the City Council:

The letter clarifies how the Los Angeles Department of Transportation is responding to the recent motion approved by City Council regarding apron parking. Please feel free to share with your constituent mailing lists.

Per Council File 11-1676 (Koretz-Rosendahl motion) and advice of the Office of the City Attorney, effective October 12, 2011 LADOT is not issuing parking citations under Los Angeles Municipal Code section 80.53 for parking on a driveway apron. Traffic officers have been instructed as to the change. In addition, any citations issued in error under LAMC section 80.53 on October 12, 2011 or later will be administratively canceled.

LADOT will continue to enforce other sections of the LAMC and California Vehicle Code, including: CVC section 22500(e), which prohibits parking in front of the driveway, and CVC section 22500(f), which prohibits parking on the sidewalk.

Sincerely,

Jaime de la Vega
General Manager
